

ALGAL BLOOM SMALL BUSINESS SUPPORT GRANT GUIDELINES

Overview

The Algal Bloom Small Business Support Grant (“**ABSBSG**”) program is part of the South Australian and Commonwealth Government package to support South Australian small businesses and industry that have been significantly impacted by the Algal Bloom, across South Australia’s coastline.

Grants are available to support **Small Businesses** and **Not-for-Profit Organisations** that have experienced a material reduction in **business turnover** as a result of the impact arising from the Algal Bloom event.

The Department of State Development (“**DSD**”), working in collaboration with the Department of Treasury and Finance (“**DTF**”), will administer the ABSBSG program.

Bolded terms in these Guidelines are defined in Attachment 1: Definitions.

Available funding

Eligible applicants can access up to two (2) grant payments of **\$10,000** each (excluding applicable GST)

Grants are voluntary payments by the State Government to assist parties impacted by the Algal Bloom event.

Only one application, for each grant payment, can be submitted per aquaculture or fisheries licence or per **Australian Business Number** (“**ABN**”).

The Treasurer, or their delegate, may in their absolute discretion designate multiple applicants to be a **Grouped Entity** for the purpose of applying the maximum grant cap.
